

## AmeriCorps Opportunities (ages 18-25)

**Serve** outdoors or with a natural resources agency

**Make** a difference while supporting conservation efforts

**Earn** money for school and student loans

**Gain** field skills and leadership experience

Year-long and seasonal AmeriCorps positions based in Minnesota, Iowa, and Missouri, with projects throughout the Midwest. Members earn a monthly stipend and receive an education award upon the successful completion of their term.

**AmeriCorps Individual Placements** serve directly with government and nonprofit partners engaging in conservation-related projects

**AmeriCorps Field Crews** serve outdoors in crews restoring habitat and managing natural resources across the Midwest and serve during occasional disaster response efforts

**AmeriCorps Youth Outdoors Crews** engage Saint Paul and Minneapolis youth in educational activities and environmental service-learning projects
