AmeriCorps Members

(ages 18-25) serve in programs throughout the Midwest, earn a monthly stipend, and receive an education award at the end of a year-long or seasonal term.

Individual Placement members serve directly with government and nonprofit partners engaging in conservation-related projects.

Field Crews serve outdoors restoring habitat, managing natural resources, and occasionally responding to natural disasters or community needs.

Youth Outdoors members lead youth in educational and service-learning activities and serve as Field Crews when not leading youth.
