Jed Wannarka, SACN_HR@nps.gov

The incumbent works as a Maintenance Worker and performs the full range of maintenance activities on buildings, utilities, vehicles, boats, and equipment. Repairs and replaces signs and other interpretive and informational structures. Performs minor maintenance and repairs to grounds keeping equipment and maintains campgrounds including cleaning restrooms, repairing picnic tables, trash removal, trimming trees and collecting roadside litter. Clears and maintains hiking trails. Operates riding mowers, and pickup trucks that pull trailers. Incumbent is responsible for preparing daily work reports and providing information to be used in compiling computer data for the Facility Management Software System. Other duties include working with youth crews and assuring all work complies with OSHA and agency safety regulations.

Work for the National Park Service in MN & WI!

St. Croix National Scenic Riverway encompasses 92,000 acres and 250 miles of mostly free flowing river. It includes 150 miles of the St. Croix River, much of which forms the border between Minnesota and Wisconsin, and all 99.5 miles of its largest tributary, the Namekagon River in northwest Wisconsin. The park has diverse flora and fauna derived from a mixing of three major plant communities: prairie, northern hardwoods and boreal forest, primarily in a riverine setting. Summer daytime temperatures are mild, averaging 75-85 degrees Fahrenheit, and nighttime temperatures averaging 60-70 degrees. Winter daytime temperatures are cold, averaging 0-15 degrees Fahrenheit, and nighttime temperatures averaging -15 - 0 degrees. Duty station for this position is located in St. Croix Falls, Wisconsin, or Pine City, Minnesota.

Park headquarters is located in downtown St Croix Falls.
