Jed Wannarka, SACN\_HR@nps.gov

Employee will be required to possess a valid state driver's license. The employee must be capable of safe and effective operations of light and heavy-duty work vehicles including work trucks up to a 1-ton rating. The employee will be required to load and secure various equipment and materials onto trucks and trailers and be capable of safely attaching and towing trailers. This position will also include but is not limited to: grounds and trails maintenance, preventative maintenance and repairs to equipment, tools, and facilities, custodial tasks within facilities and vault toilets, interior and exterior facility repairs and rehabilitation, equipment operation including: trucks, trailers, power mowers, skid steers, UTVs, push mowers, weed whips, and other equipment. Furthermore, the employee will utilize non-journeyman skills when assisting higher graded employees or when performing work in the following trades: carpentry, electrical, plumbing, masonry, and painting. The employee will be required to safely navigate a canoe or motorized watercraft in a river setting. The employee will often be required to lift, handle, pull, push, or carry heavy equipment or materials at times greater than 60 pounds. Work associated with this position is most times conducted out of doors and the employee may be exposed to ticks, bugs, poison ivy, and conditions of extreme heat, cold, precipitation, dryness, or wind. The employee may work as a member of a team or independently.

# Work for the National Park Service in MN & WI!

St. Croix National Scenic Riverway encompasses 92,000 acres and 250 miles of mostly free flowing river. It includes 150 miles of the St. Croix River, much of which forms the border between Minnesota and Wisconsin, and all 99.5 miles of its largest tributary, the Namekagon River in northwest Wisconsin. The park has diverse flora and fauna derived from a mixing of three major plant communities: prairie, northern hardwoods and boreal forest, primarily in a riverine setting. Summer daytime temperatures are mild, averaging 75-85 degrees Fahrenheit, and nighttime temperatures averaging 60-70 degrees. Winter daytime temperatures are cold, averaging 0-15 degrees Fahrenheit, and nighttime temperatures averaging -15 - 0 degrees. Duty station for this position is located in St. Croix Falls, WI, Trego, WI, or Pine City, MN.

**Park headquarters is located in downtown St Croix Falls.**

**St Croix National Scenic Riverway**

**401 N. Hamilton St.**

**Saint Croix Falls, WI 54020**
