

**CITY OF BURNSVILLE (MN)**  
**invites applications for the position of:**

**Natural Resources Intern**

**SALARY:** \$14.60 Hourly  
**DEPARTMENT:** Natural Resources  
**OPENING DATE:** 02/28/22  
**CLOSING DATE:** 03/20/22 11:59 PM

**POSITION DETAILS:**

As a Natural Resources Intern you will assist Natural Resources staff in habitat restoration projects (such as invasive plant control), water quality monitoring and vegetation/wildlife surveys in City natural areas. Other duties include maintaining the appearance and function of City raingardens and native plant demonstration gardens, entering data and occasionally directing volunteers.

Our Natural Resources department is a team of talented individuals who manage habitat restoration within natural areas, water quality monitoring and improvement projects and public engagement through volunteer and education programs, in order to make our community a truly desirable place to live and work.

This role is non-exempt (hourly) and has a starting wage of \$14.60/hr. [Natural Resources Intern job description.](#)

**HOW YOU'LL USE YOUR STRENGTHS EVERY DAY:**

The Natural Resources Intern values people and perspectives by:

- Collaborating in a small team environment to perform a wide range of fieldwork-based projects.
- Providing excellent service to the public through occasional direction of volunteers and others.

They are on the leading edge when they:

- Follow best practices for habitat restoration, water quality monitoring, natural areas surveys and landscaping projects.
- Look for opportunities to complete tasks more efficiently.

And they expect the best by:

- Arriving on time and being prepared to conduct field work in a variety of conditions.
- Being observant and inquisitive about City natural areas and the variety of tasks the job will involve.

**WHAT YOU'LL BRING TO HELP YOU BE SUCCESSFUL:**

- A high school diploma or GED.
- 18 years of age or older.
- A valid Driver's License or be eligible to be licensed in the State of Minnesota.
- A background or interest in native habitat restoration and local government work serving the community.
- An interest in developing what you do best and a commitment to valuing each colleague for their unique perspectives.
