Youth Members (ages 15-18) gain experience and earn money while working outdoors as part of a crew led by AmeriCorps members.

Summer Youth Corps Members work as part of a crew led by AmeriCorps members and based out of St Croix State Park. Members work for several weeks over the summer, conserving natural spaces and improving parks throughout Minnesota and neighboring states.

Youth Outdoors Crew Members work afterschool during the spring and fall in the Twin Cities. They complete conservation and community improvement projects while gaining college and career skills for the future.
