

AmeriCorps

AmeriCorps Members

(ages 18-35) serve in programs throughout the Midwest, earn a monthly stipend, and receive an education award at the end of their term. seasonal and full year positions available.

Individual Placement members serve directly within government and nonprofit partners engaging in conservation-related projects.

Field Crews serve outdoors restoring habitat, managing natural resources, and occasionally responding to natural disasters or community needs.

Youth Outdoors members lead youth in educational and service-learning activities and serve as Field Crews when not leading youth.

Summer Youth Corps learn natural resource skills and lead high school youth in conservation projects during a summer program based out of St. Croix State Park.

This program is open to all, without regard to disability, race, religion, national origin, gender, sexual orientation, or political affiliation. Reasonable accommodations available upon request.
