**Youth Members** (ages 15-18) gain experience and earn money while working outdoors as part of a crew led by AmeriCorps members.

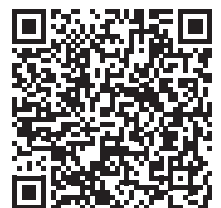

**Summer Youth Corps** Members work as part of a crew based out of St Croix State Park. Members work for several weeks over the summer, conserving natural spaces and improving parks throughout Minnesota and neighboring states.

**Youth Outdoors** Crew Members work afterschool during the spring and fall in the Twin Cities. They complete conservation and community improvement projects while gaining college and career skills for the future.
