invasive species surveys, 452 user surveys, and provided education to 1,133 people. AmeriCorps members receive a monthly stipend, health insurance, and an education award for college expenses.

Increasing Diversity in Environmental Careers (IDEC) engages college students pursuing STEM degrees who are interested in a career in natural resources. The program specifically seeks to engage students from backgrounds typically underrepresented in natural resource careers, including women, people of color, and individuals with disabilities. Through partnership between the Conservation Corps, the Minnesota Pollution Control Agency, the Minnesota Board of Water and Soil Resources and the Minnesota Department of Natural Resources, students participate in a fellowship, mentorship and paid internship. Students gathered with Conservation Corps and Minnesota Department of Natural Resources staff for orientation, met one-on-one with staff to discuss academic and career goals, and completed a workshop on effective communication skills. 22 students received a fellowship payment to support academic expenses for the fall 2022 semester.

Form 990, Part VI, Section B, line 11b:

Form 990 information is provided by Conservation Corps to our public accounting firm prior to the annual audit. When the Form 990 is approved by the board of directors, the Form 990 is then filed.

covers all employees and board members who can influence the actions of Conservation Corps. This includes all who make purchasing decisions, all persons who might be described as "management personnel" and any one who has proprietary information concerning Conservation Corps. All staff and board members complete and sign a conflict of interest disclosure statement and a gift policy and disclosure form (1) at point of hire/accession to the board of directors and (2) annually each calendar year. These questionnaires are reviewed by Human Resources if answers provided on the conflict of interest disclosure statement or gift policy disclosure form reveal a potential conflict, disclosure is to be provided to the Executive Director, or if he/she is the one with the conflict, then to the Board Chair, who shall bring the matter to the attention of the board.

Disclosure involving directors should be made to the Board Chair, or if he/she is the one with the conflict, then to the board vice-chair who shall bring these matters to the board. The board or duly constituted committee thereof shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to Conservation Corps. The decision of the board on these matters will rest in their sole discretion, and their concern must be the welfare of Conservation Corps and the advancement of its purpose. Transactions with parties with whom a conflict of interest exists may be undertaken only if all of the following are observed: (1) the conflict of interest is fully disclosed, (2) the person with the conflict of interest is excluded from the discussion and approval of such transaction, (3) a competitive bid or comparable valuation exists, and (4) the board has determined that the transaction is in the best interest of Conservation Corps.

All board members are volunteers, therefore they receive no compensation. The Executive Director's compensation is reviewed on an annual basis by the board. The board uses the Minnesota nonprofit salary and benefits survey, published by the Minnesota Council of Nonprofits, to determine comparable compensation. Officers of the organization have a review on an annual basis. The Executive Director approves all compensation adjustments and the board approves the overall compensation for the organization during the budget process.
