

Join Our Team!

Background: The Nature Conservancy (TNC) in Oregon is hiring two full-time (term) positions for our fire program. TNC Oregon's Fire program is working to support prescribed fire planning, implementation, and monitoring across Oregon in support of the Oregon Fire Implementation to Restore Ecosystems (OR-FIRE) project. The goal of the OR-FIRE Project is to support healthy and resilient ecosystems and fire-adapted communities by creating, training, and deploying interorganizational, place-based prescribed fire capacity, rooted in an inclusive fire management culture.

Positions: We are adding the following positions to our team -

- [Prescribed Fire Module Leader](#) (Klamath Falls, OR) – NWCG SRB+ – TNC Job ID [JR101134](#)
- [Prescribed Fire Module Assistant](#) (Redmond, OR) - NWCG FFT1+ – TNC Job ID [JR101135](#)

Location: These positions are key leaders on 6-8 person prescribed fire modules, located in Klamath Falls, and Redmond Oregon.

How to Apply: You can find additional details and apply for these positions by clicking on the position titles above. Applications will be reviewed as received and interviews scheduled once there is an appropriate applicant pool.
